# STUDIO GT&P

We are a dynamic Italian graphic design firm with more than 25 years of activity in brand identity and packaging design. In the last few years we have widened our experience with clients in several countries abroad.

We have worked in a wide range of industries, but a significant part of our work is represented by food and wine packaging, products which have a great and long-lasting importance in Italy.

We provide the following services:

- Identity (Logo design, Stationery, Signage , Style Manuals)
- Packaging (Package and Brand Identity Design)
- Print (Annual Reports. Company Profiles, Brochures, Product Catalogues, Newsletters & Periodicals. Direct Mail, Flyers, Promotional Material)
- Interactive (Website and Web Collateral Design and Development)
